

REBECCA KONTIO

kontiorebecca@gmail.com | +358451442266

I am a junior frontend developer, currently studying my final year of Information Technology. I have hands-on experience building apps with React through various projects. I am passionate about creating responsive and user-friendly web applications using modern JavaScript frameworks. Currently, I am looking for an IT internship for Spring or Summer 2026.

EDUCATION

Business Information Technology Sep 2023 – Dec 2026

Turku University of Applied Sciences

- Software Engineering and Project Management

Kauhajoki high school 2019 – 2021
